

ARIZONA DEPARTMENT OF TRANSPORTATION OPEN HOUSES

Your input is needed on the Southeast Arizona Regional Transportation Profile

The Arizona Department of Transportation (ADOT) will hold the second round of open houses for the Southeast Arizona Regional Transportation Profile. Members of the public are invited to attend the open houses to learn more about this study, which will identify future transportation needs and potential improvements to the state highway system in the region.

Each open house is from 5 to 6:30 p.m. Maps and displays will be available for viewing during that time. Representatives from ADOT and the study team will be present to answer questions and address concerns.

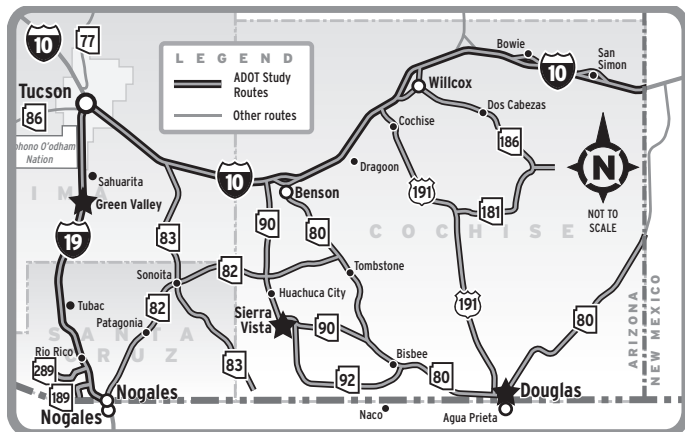

For more information about the open houses, please contact Angie Brown with Gordley Design Group (ADOT Consultant) at (520) 327-6077.

Americans with Disabilities Act (ADA): Persons with a disability may request reasonable accommodations, such as a sign language interpreter, by contacting Angie Brown at angie@gordleydesign.com or (520) 327-6077. Requests should be made as soon as possible to allow time to arrange the accommodations.

Additional project information, as well as directions and maps to the meeting sites, are available at www.i10tucsondistrict.com.

Si le gustaria recibir información en español, favor de comunicarse con Paki Rico al (520) 327-6077. Gracias.
